Andrew Hempstead is a travel writer and photographer who has traveled widely throughout Canada from his home in Banff, Alberta. His research trip for the third edition of this book took him to every corner of the Maritimes, and along the way he found himself searching for fossils along the Bay of Fundy, wine-tasting in Nova Scotia, and golfing the fairways of Prince Edward Island. In addition to this book, Hempstead has authored guidebooks to Alberta, British Columbia, the Canadian Rockies,

and Vancouver, and has co-authored guidebooks to Atlantic Canada, Australia, and New Zealand. His writing and photography have also appeared in many national and international publications.

Great book! Very informative.

Well presented material. I found in using other travel "Dummies" books that the information makes a difference in the enjoyment of the trip. This one was not an exception. Other travel books lack much of the wisdom and anecdotes contained in "Dummies" volumes.

Lots of information. I have not visited N. S. to actually use book. Plan to go in 3 months. Good luck to all.

REally falls short of what I'm looking for. I wanted a resource for planning an RV trip through the Maritimes, and this was almost no help at all. Didn't discuss travel times, didn't identify places where RV camping is supported, didn't identify pet-friendly venues. On the other hand, it told me several times how to check in at an airport.
