Scars: An Amazing End-Times Prophecy Novel

Synopsis

Revelation comes to life in this adrenaline-fueled Christian thriller weaved with End Times prophecy. A heart-wrenching story of a young girl set during the Tribulation, SCARS chronicles the beginning of the End of the World, as earth-shattering events lead up to the Apocalypse as foretold in the Bible. SCARS reveals many possible answers to questions such as, "Who is the Antichrist? The False Prophet? The name that equates to 666 in both Greek and Hebrew?" and "What are the Mark of the Beast and the image of the beast?" Other prophecies include how the antichrist will be revealed, the Lie, who will be deceived by the antichrist, the ten-horned kingdoms of the beast, the 144,000, the Two Witnesses, and the Peace Treaty. SCARS is shocking and eye-opening but essential reading in a world of confusing theories. There is no other end-times fiction book like this. ARE YOU READY? Cataclysmic natural disasters Global economic chaos Political turbulence Mass deception The Apocalypse has just begun.... Sixteen-year-old Rebekah Silver is your average teenager living in Southern California. She worries only about learning her cheerleading routines and passing her math test. But as world dictators rise to power and devastating disasters claim millions of lives she is inspired to search for answers. Becky soon discovers her world is quickly coming to an end, just as it was prophesied. Now she must decide whether to risk her life to follow the laws of God or surrender her soul to the law of man in this action-packed thriller. Will Becky survive?

Patience Prentice grabs your attention on the first page and doesn't let go until the end. Her storyline, which is based on the premise of the New Age movement who are looking for the false Christ maitreya, is spectacular. In the story he comes and tries to make his stand. Her exhaustive study and understanding of the Biblical books dealing with the days leading up to the Second Coming of the Messiah is evident in this FACT BASED Christian thriller. It is believed we are already in the very days that the Rapture could come at any time, The beginning of the Tribulation Period. Don't delay! If you don't already know Jesus as your Lord and Savior, make that decision today! This book will help give you confidence it's the right things to do.

This was a great book. It was easy to understand and read. I was engrossed and couldn't put it

down. I highly recommend it for young adults. I will be passing it along to my boys to read. I look forward to more books from this author.

This is a Christian End Times novel. The reader finds the main character, Becky, running for her life. The reasons for this unfolds in flashbacks through the eyes of Becky. I like that the reader finds out what is going on in the 'author's world' through Becky's eyes. It is a world that is different in some ways from our current one. The possibility does exist that our world may turn into this if the warning placed within the novel is not heeded. If you are a Christian and wonder what End Times may look like, this is the book for you. If you are a non-Christian and wonder why some Christians are the way they are, you may discover some answers within these pages.

I loved this book and finished it in one day! It's so close to what we will experience soon here on earth as Christians.

Great Book! It makes you think how will I react to end times prophesy coming to pass. Will I stand strong till the end. Matthew 10:32-33 32"Therefore everyone who confesses Me before men, I will also confess him before My Father who is in heaven. 33"But whoever denies Me before men, I will also deny him before My Father who is in heaven. I want to hear well done my good and faithful servant, do you? This book will help you decide. I will be purchasing this book for my library to share with others. TY Patience Prence for sharing it with us. May God Bless You!

Awesome book, I will be purchasing this book for our youth group at church to read. Amazing faith shown through a teenager makes you think about how strong your faith is for Jesus. The ending of the book was awesome I couldn't stop the tears to just think about how amazing Jesus is, was and will be!!! Jesus' scars are a reminder to us just how amazing his love is for us. This book brings the book of Revelations to todays time. I love how the author uses scripture as a reference throughout the story. These things will come to pass and I am so glad I am saved by the blood of Jesus Chirst and will not have to endure this time of tribulation. However people will be born during this time and I pray they have the faith, strength and courage as Rebecca does in this story to choose Jesus. Love it!!!!

Written in 2010 and the events seem eerily close to our society today. People have blinders on and will keep following the darkness. I know this story as told in the Bible about future events yet the

author weaves it into a modern tale we can easily relate to. Very well done. READ IT!

This book is a quick read into the reality for those still here during the end times, where we'll be asked to follow Jesus Christ even if our loved ones do not. Ms. Prence does a great job putting us in the mind of a young girl forced to do so; at great price but also with great reward! Thanks for sharing the truth!
