Garfield Fat Cat 3-Pack #5

Synopsis

THREE BOOKS IN ONE MEANS THREE TIMES THE FUN! When the owner's away, the cat will play—especially if that cat is Garfield, the portly practitioner of mischief and mayhem. But then again, Garfield gets just as much—or more—satisfaction doing his damage when Jon is around. Mauling a mailman, pummeling a pizza, dissing a dog, giving Jon a “gentle reminder” that it's mealtime—it's all good. Because Garfield is good at being bad! The Garfield Fat Cat 3-Pack series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some supersized laughs with the insatiable cat, because too much fun is never enough!

Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many

successes with *Garfield*, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.

I basically give all these *Garfield* 3-packs the same rating-- First, it's a really good deal to buy the books this way price-wise. Second, *Garfield* really inspired my 8 year old son to learn to read a few years ago, and he reads and re-reads these books over and over. Unlike some comic books or made-for-kids books (I'm thinking of things like the comic sections of *Captain Underpants*), there are no spelling errors or weird slang he won't understand-- Nothing too violent or off-color-- Just *Garfield*. I can let him read it without worrying about it, and *Garfield* has become an old friend.

My son is not the most "into school" kid-- and he was really struggling in reading-- Was even in Reading Recovery in first grade (last year) for awhile-- And then he discovered *Garfield* comic books at the library and fell in love with them!-- and he just tested in the 78percentile (meaning, he reads better than 78 percent of kids in our district for his grade)! He LOVES these books and I've bought him a few of these 3-pack books on (way cheaper than anywhere else!) as gifts for him, just to say "Good job, keep going!" Really, for how thick and colorful the book is-- this is really a nice price. While they (all the *Garfield* 3-pack books-- which there are many!) are generally paperback, it's a nice sturdy binding and, unlike some of the other books that kids his age tend to be attracted to, I know the words are spelled correctly, the grammar isn't funky-- and there is nothing too racy in it! I say if you can find something that gets your kid reading that meet those criteria-- GRAB IT!

Got this for my son for his birthday. He has said "gee, I want more of these." He does his own cartoons and uses books like this to be an example in his drawings. Very happy when the son is happy.

What can I say, my son loves *Garfield*. Didn't disappoint me either! Lot's of laughs.

Is there anything better than *Garfield*?....OK maybe Lasagna but that is it.

My son had no interest in reading until he discovered these *Garfield* Comic books-- And unlike some other books he likes that are more kid-oriented-- All the spelling in these books is correct, the

sentences are usually complete, the grammar proper-- (Captain Underpants wasn't helping his spelling situation!!) So THANK YOU TO JIM DAVIS.

My seven year old laughs out loud often.....music to my ears as a parent.

Good book
