Pamela A. Lach is the author of *The Bride's Etiquette Guide: Etiquette Made Easy*, *The Bride to Bride Book*, *The Groom to Groom Book*, and *Newlywed: A Survival Guide to the First Years of Marriage*.

Great book. A friend told me to buy this when I got engaged and I am so glad she did. I got compliments on my lovely thank you letters. People noted that they were so nice and thoughtful. Thank goodness for this book or I would have sounded like an idiot.

Even if you are great at writing thank you notes, you can benefit from this book! You will be exhausted after your wedding, and this little book will ease your mind. It's great for getting ideas on how to write your thank you cards, with plenty of examples to page through and lots of advice on etiquette. I highly recommend this to any stressed-out bride.

Great Read, helpful in knowing what to do for a wedding.

This small book offers some good samples and adjective suggestions. Some of the advice is a bit dated, the whole thing could use an updated edition to deal with changing norms and new situations. I was just looking for something easy to slip into a tote to help me work on thank you's while traveling when a computer wasn't handy, this book fit the bill.

love to give this to people who just got engaged. WONDERFUL thank you notes for any gift included

It is so helpful for writing any thank you note and covers any gift!! A must have for every bride and groom.

Helpful.

I was really excited about this book but it was a huge disappointment. It really needs to be updated.
