Cable Left, Cable Right: 94 Knitted Cables

Synopsis

Knitted cables, with their three-dimensional twists and turns, are a common element in lots of patterns but most patterns don't include directions for executing them. Cable Left, Cable Right, by expert knitter Judith Durant, eliminates the mystery with detailed, in-depth instructions for creating 94 different styles of cable, from perfectly plain to fantastically fancy. Close-up photos and clear instructions teach you the techniques you need, including design options like braids, diamonds, and pretzels so you can make your cables truly one-of-a-kind. This book is the perfect companion to any knitting pattern featuring cables, giving you the information and skills to make polished, beautiful, and unique cables for any project.

Customer Reviews

"Judith Durant has done it again! This is a reference gem that every knitter from hobbyist to designer will want. It educates on cable construction and methods and inspires you to knit yourself down a windy, cabled project road." — Vickie Howell, TV host and yarn arts designer and ambassador

Make Your Knitting POP From standard ropes to squiggles and complex pretzels, cables bring life to any project. Judith Durant offers the key to unlocking these appealing twists and turns with step-by-step instructions for 94 specific patterns that will take your knitting from simple to spectacular.

I borrowed this book from the library, and found so many great patterns that I just had to buy my own copy. Knit on.

Lovely book of various cable stitches. Thorough explanation with photos of various stitches and their symbols in charts. Step-by-step instructions.

Fun stitches! Very easy to follow. Spiral bound makes it easy to hold my place. Great service.

Chock-full of good patterns with clear directions, this book can inspire you to create your own patterns. Photos make it easy to see details, so you know what to expect when you use these cable techniques in your own work. The book is small enough, and sturdy enough, to pack it into a small bag with your current projects. All this--and it's fun, too.

Easy to read, Informational Compact

very helpful and clearly written

Easy to follow
