## Customer Reviews

I bought this for my 11 year old granddaughter for Christmas. She hasn't used it yet, but I gave it five stars because she was so happy when she opened the gift on Christmas Eve. The look on her face was worth five stars. She likes to draw the Manga characters and said she had never seen a sketch tool like this one.

Cute...would like maybe a variety of templates instead of just the one

this was a present for my daughter's friend they are 12. she is really into drawing manga... and she

loved this!!!

I bought this for my sister for Christmas and she loved it!

There is no variety in the layouts. Every page is the same.

My son really loved it but the pages were loosen

Overpriced, I should have printed the layout being that they are all the same ( I thought they would have different layouts throughout the book) and had it bound locally

This was a birthday present for my son who wants to try his hand at creating his own Manga story. He is loving it! On time shipping and no issues with seller. I would highly recommend!
