The Man God Has For You: 7 Traits To Help You Determine Your Life Partner

Synopsis

YOU DESERVE AN AMAZING MAN! Don't get caught up with the man God never intended you to be with! I'm sure you're even wondering if such a man exists. I'm here to tell you he does! There is, in fact, a man God has for you; however, there are some steps that need to be taken in order for him to receive you and for you to receive him. *The Man God Has For You: 7 Traits to Help You Determine Your Life Partner* is a guide not just to help determine if the man of your interest is the right one, but also to help you get down to the nitty gritty of any underlying issues that may prevent you from recognizing if this man is truly for you. This guide will tackle 3 key points:

- Address the misconception of not enough men, the idea of settling, as well as the most popular prayer women pray.
- Give 7 essential traits to determine if the man you seek is the one God intended for you.
- Provide guidance on how to heal from your past and be open to the possibilities of embracing love.

This isn't another "how to get a man" guide. This book will urge you look deeper within to remove any excess baggage, as well as assess the ways you've gone about seeking the man who is for you. A compliment to *GOD Where's My Boaz*, *The Man God Has For You* will help you prepare and position yourself to receive the man who is waiting to receive you.

I thought Stephan Out Did himself when he wrote, God Where Is My Boaz" This book is absolutely amazing. I love a book that makes me looks myself in the mirror and say, Girl, the one you with isn't the one. lol. I love the powerful points in this book on how to pray and ask God, Is this the one or better yet Is this my husband. I am 37 years old and at this point we have No time for games. Ladies, you are going to enjoy this book and if, you have ever heard Stephan speak or attended one of his workshop...His voice will be loud in your head. Honey, grab a glass of wine, sit back and take notes.

Just learned about Stephan a few months ago. What a great guy and another great book. Easy to read. Such a friendly, caring, honorable man who has reasonable loving advice. I like the style of it. Asks a lot of us ladies because he genuinely wants us to have the love we deserve. What a sweetie!

Very good reading from a male perspective.

A whole man will want a whole woman. You have to work on being whole. It's not about finding a man who completes you, it's about completing yourself and receiving the man who complements you, as you complement him in return. That's the relationship that will flourish and become something amazing....Awesome statement!!!

I loved this book. I found myself getting mad because it was some parts that were really true to me but other than that, it's a great a book! I recommend to anyone looking to get some insight on dating.

God is not bound by numbers!That has to be the most powerful line in the book. So often single women (myself included) think that we has missed our chance or opportunity for a fulfilling relationship. For we believe what society tells us that there aren't that many good men left but that is simply not true! The Man God Has For Me has truly blessed me for it helped me realized that God has specific man, that has a specific plan that is just for me! God I get it, I will wait!

This book is amazing and very informative!!! I am in a season of waiting and I am not looking for a husband just enjoying my time being single and dating. I loved this book because it is not a how to find a husband book!!!! I think it gives you a vision for how a healthy dating relationship should look. I would recommend this book for all women who are in the process or feel they have met the right man. Great Book! •

Best book I've read so far this year! I've literally recommended it to each one of my girlfriends!
