The whole family loves adventures in odyssey.

If you’re already familiar with Adventures in Odyssey, then you’ll find this to be just as good as any of the older stories. We now have numbers 2-7 in the Gold Audio Series and have found them all to have stories that are both enjoyable and also based upon Bible principles. There is one story on divorce in #7 that is a little intense if your children are bothered by angry adults arguing, but other than that its appropriate for kids of all ages.

We LOVE adventures in Odyssey. These episodes all seemed very appropriate from my kids at ages 4, 6, and 8. They will love them for several years more as well.

The grandkids - and parents and grandparents - love Odyssey! Truly great for the whole family.

Love Adventures in Odyssey stories, such a treat!!

Love adventures in odyssey. Great for families. Teaching lessons, and inspiring children.

WE LOVE AIO!

We listen to AiO a lot on our drive to school or on long vacations. The first thing my kids say when they get in the car is, "Can we listen to Odyssey?" I would never say "no" to AiO....it’s awesome!
