Author of the highly acclaimed Planet Golf and Planet Golf USA, Darius Oliver is a respected writer, rater, and international golf course consultant. He has studied more than eight hundred courses around the world, making him one of today's best-traveled and most authoritative voices on golf course design and architecture. Ã Â Premier golf photographers John and Jeannine Henebry have been specializing in golf course photography for more than twenty years. A brother-sister team, they have traveled the world photographing the world's best and most beautiful golf courses. Their work has appeared in many major golf magazines as well as in Planet Golf USA.

I have it hung in my office and love looking at it on the daily

This calendar is nice- large in size, beautiful pictures. The only issue is that the description says it is a 16 month calendar, but it is only 12 months.

Really good calendar with some awesome golf courses to admire. If you're still reading this review just wait til 2017 to buy a calendar you've missed your chance. Unless they lower the price to like

three dollars.

Slightly rectangular size nicely exhibits the photography. Wonderful print quality!

Very nice pics, wider compared to other calendars. Would recco for a golfer.

Great calendar with amazing pictures of various golf holes across the globe. Will be looking for a 2017 version next year.

Nice calendar. Excellent descriptions of some of the best golf courses and holes in the world.

Love it!
