Synopsis

Reinforce key mathematical concepts in first grade with these fun and engaging skill-based games! Created to align to College and Career Readiness other state standards, this resource is perfect for reinforcing students' mathematical skills. Perfect for centers, workstations, or family math night, these engaging games that can be played in pairs or small groups, and results can be used for formative assessment. About Shell Education Rachele Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
