Human Resource Management (Irwin Management)

Synopsis

Human Resource Management continues to present the theoretical and practical aspects of HRM. The theoretical material is presented throughout its pedagogically-effective examples woven throughout, while the practical aspects of HRM are presented through its adaptive learning program, Connect. This edition reflects the challenges of diversity, technology and globalization in the business world and how these forces impact the HRM function within organizations.

I found this book to be an easy read, and it was very informative. If the book was cheaper I would have purchased it for future reference. Got a chuckle out of the typos. It happens to everyone (:

Yes, it came in new condition, the front of the book looked different but the content was right on. very satisfied. thank you.

Thank you sir for your superb customer service. This book is absolutely amazing and filled with so much wonderment!

Great book! Exactly what I was looking for!

Made an A. Nuff said.

Great product.

completely happy with the order.
