Customer Reviews

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her father's home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the Reys' home and community. Throughout their lives the Reys created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940.

Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit www.curiousgeorge.com.

Cute book, bright clear pictures, big easy tabs, fun rhymes.

My 2.5 year old son has been OBSESSED with Curious George since he was 1. It is his absolute favorite show to watch and he will ask to watch it 9/10 against any other movie or show! He brings me this book at last 3 times a week to read to him, morning, noon or night! He loves it! Thank you!

Too cute! Great set up to the book with tabs! Lots of words so great for an older kid who can keep focused a little longer. I'm not crazy about the lullaby at the end because it doesn't tell you what to send it to.... aside of that great overall. My son loves all the little things George does as a night time routine..... playing, bathing, cleaning up etc. The prices for books on are so much better price wise than other places I always look here first before purchasing anywhere else.

This is a great great bedtime book for my two-year-old granddaughter. Each page is an interesting topic with a fun little story, and my granddaughter loves the ending to each topic: "Are you sleepy yet?", to which her answer is always an emphatic, "NO-O-O-O!" with a cheesy grin. Afterwards, she promptly falls asleep. Mission accomplished, with fun.

Sooo CUTE! Our Granddaughter watches George on TV in the mornings and she LOVES this book - reads it before taking her nap and at bedtime. She laughs and giggles at the funny things that George does in the book! Lots of colors and wonderful pictures of Curious George.

We've been reading bedtime stories to our little son for years, and I picked this up for him since he loves Curious George. We let him pick his bedtime books from his cabinet that has dozens of stories with a wide range in authors. He cycles through the books quite a bit, but this is one of those books that he comes back to more than the others. It's a great little bedtime book that follows George as he goes through the motions of getting ready for bed, from picking up his toys to taking his bath to playing one last game of hide-and-seek with the Man in The Yellow Hat. The story rhymes pleasantly, and even has a cute little song/poem at the very end.

There is a part with a goodnight lullaby, but no where that gives you a tune so you end up having to just read it or make one up. Other than that, I really like it. It is very cute. My nephew liked it.

This is our 3rd book! Our grandson loved it so much he had one at his house and one at ours. The

corners are bent and tattered but it still gets read nearly every single night. Now that we have a new baby on the way, he needs his own!
