Tacky And The Emperor (Tacky The Penguin)

Synopsis

It's common knowledge that Tacky was never the best-dressed penguin, but when he and his friends prepare for the arrival of the emperor, Tacky gets carried away and ends up in more than just elegant attire! Tacky brings his own unique brand of humor and entertainment to the emperor's visit. Here is another wacky addition to Tacky's myriad adventures in which friendship, kindness, and laughter always win out! Tacky fans will be carried to new heights of hilarity by this Tacky tale.

Average Customer Review: 4.8 out of 5 stars 209 customer reviews

Best Sellers Rank: #158,570 in Books (See Top 100 in Books) #37 in Books > Children's Books > Geography & Cultures > Explore the World > Polar Regions #382 in Books > Children's Books > Animals > Birds #2711 in Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Friendship

Age Range: 4 - 7 years

Grade Level: Preschool - 3

Customer Reviews

"That prince among penguins returns," noted PW. "Here Tacky gets the royal treatment after he innocently tries on the emperor penguin's clothes and the emperor penguin gets a welcome break from pomp and ceremony." Ages 4-8. (Aug) Copyright 2002 Reed Business Information, Inc.

Tacky, the delightful penguin who marches (or is it waddles?) to a different drummer is back in another funny and charming tale-this time involving a royal visit from the emperor. When Tacky and his five iceberg-mates learn that the emperor is coming to visit, they enter into frenzied preparations.

A feast of fish-flavored food is prepared, entertainment is rehearsed, and Tacky is put in charge of the balloons. But when he blows up a really big balloon, he takes an unplanned ride and ends up on a neighboring iceberg, which, unbeknownst to Tacky, is the emperor's home. Seeing a set of very fancy clothes lying unattended and unclaimed on the ice, he puts them on and waddles back to his own iceberg. To his amazement, his five friends make a huge fuss over him, plying him with food and making sure he's amused and happy. Although Tacky doesn't realize it, his friends have mistaken him for the emperor. When the real emperor arrives, the five others are mortified that there is nothing left with which to impress him, and are exasperated with Tacky. The emperor, who turns out to be sick to death of the stuffy and formal visits most of his subjects make him sit through, has a great time with Tacky and his improvisations. Instead of the fish-flavored food that the emperor is usually offered, they have snowball cones; instead of a boring dance recital, Tacky sings his favorite silly song; and they all (even his royal highness) tell penguin jokes. The watercolor illustrations are adorable and full of humor-note especially the fish-flavored ice cream, the emperor's twinkle-toed shoes, and the double-page spread on which the penguins learn about the mistake that's been made. Children will think this book is a riot and won't even realize that a message is being delivered-a charming one about the joys of non-conformity. Very knowledgeable book!!! It's great that available on kindle. It's amazing book and it's great that it's available on kindle!!!

So cute. I love Tacky.

Cute and very very very funny! I recommend this book for all little kids who love penguins and love to read.

I love the funny rhythmic writing. The kids can't get enough of her books. And my 30 something daughter laughs hysterically at them still.

My niece is a teacher in Arkansas. Her 1st grade class is sorely lacking in enjoyable books for afternoon reading. I purchased every 'Tacky' title available on and sent them down to her. I figured penguins in Arkansas would be a novelty for the kids, and they LOVED it!!The 1st graders love

Tacky and his crazy adventures; he's always faced w a perplexing problem, but seems to make the right (sometimes tough) choice to solve it. Good lessons for children!

This was a really cute book that I bought to read as a "mystery reader" for my granddaughter's class. The kids loved it.

Such a cute story about accepting others and being yourself!

It's been a long time since my kids were little but now I got this book for my young nieces. We used to have to much fun hamming up this story. It was a great read-aloud with a good message. BTW- Another fun read-aloud is Jerry Pinkney's Brer Fox book.
