Mr. Jim Rohn was one of the greatest minds of our time. This CD starts with basic principles of being successful in network marketing. He uses himself as a real life example of why you want to be a network marketer versus being an employee, such as "Profits are better than wages", and much more! He presents some simple truths in a humorous way. One of the best investments I have ever made.

Didn't realize it came in a set of 10, but now we have something to give them to members of our organization! All worked out great! We enjoyed Jim Rohn as always.

Jim Rohn is amazing amazing amazing! I could listen to his presentations all day. A must have for any serious Network Marketer! Learn from the experts in this business. You will want this in your network Market Direct Sales Business Library. Your business will grow.

I was expecting a series of 10 cd's not 10 of the same one. I don't know if I misread it or if it wasn't totally clear. The content of the CD is good all in all just misunderstood what I was getting.

Love it. Please send me another packet of 10.

I have listened to this CD over and over. This is my 2nd order of 10 for members of my team! Fast shipping! Great price.

Product delivered quickly as promised....love this CD to give to new business partners!

Fabulous encouraging audio. Should be required training for all civics and business students !
