I like that this book has rules for the various governing bodies. For example when all bodies are

unanimous, it says so. When there is a mixed interpretation, there is often a table showing the verdicts. My 10 year old plays for a school team that follows high school rules, and a summer travel team that follows ASA rules. This text allows us to understand the differences.

Good reference

GOOD TO HAVE ON HAND

One of the Best,most simplistic reference sources for softball persons.

Excellent for debunking some people's so call rules.

Great book has everything I was looking for! !
