Mosaic Glass Pictures - Drawings With Mixed-media Mosaics (Art And Crafts Book 4)

Synopsis

Mosaic or painting? Why choose one if you can get both in one art work: If you already paint, either as a hobby or professionally you are invited to try and add some mosaic to your creations, and if you create mosaic works – this book will show you a way to enrich your work. A great combination of painting and glass mosaic creates beautiful pictures. In this book I will teach you, step by step, from my experience, the unique technique of making mosaic glass pictures with acrylic painting and you don't have to be a great painter to begin!
