Financial Accounting: A Business Process Approach (3rd Edition)

Synopsis

Relevance for majors and non-majors – accounting concepts explained in a business context. Financial Accounting: A Business Process Approach explains accounting concepts in a way all readers can understand by organizing the material around how a business works. This text’s business process approach presents a business topic and then shows the accounting concepts behind it – rather than solely explaining accounting concepts based on the balance sheet order.

Really great accounting book

Thank you.

Excellent condition

Definitely is a big help with Principles of Accounting I and II.

Great book

Good book if you're learning accounting for the first time.

It is exactly what I needed. Also much cheaper than buying from my school. Thank you so much for saving me money =)

It so helpful thank you
