Most books about Jakarta tell you only the metropolitan sides of the city, such as the malls, clubs and bars, 5 star hotels, heavy traffic, etc. Although there's nothing wrong with that, but Jakarta is actually a perfect place to spend your holidays (and do businesses at the same time). The big city offers you the sophisticated lifestyles, and when you feel tired of that, you can travel to another part of the city and experience a totally different face of Jakarta. Based on knowledge from experienced travelers who have been to Jakarta, this city offers an interesting package of entertainment, history, culture, and nature. In these pages you'll discover many great spots of Jakarta, from popular landmarks, theme parks, festivals and celebrations, the famous Thousand Islands, as well as other attractions. This book also gives you some tips and tricks on how to explore the city and get the maximum sensation of being there. This book will help you to decide which places to visit when in Jakarta. By the time you finish this book, you will know several different faces of Jakarta, from its focal points to its untouched civilizations. So grab YOUR copy today. You'll be glad you did.
