## Customer Reviews

Excellent read!! Couldn't put it down! Luv all of Shan's books!!! Part 2 when!!! Looking forward to it.

More please!

I'm at loss of words, Shan did not disappoint. A captivating read, that had me hooked from the very beginning. Asim, Lani, Drae, Tyson, and the gang took the streets by storm, showing anyone what would happen if you cross one of them. Yet one of them seemed a little shady to me and while reading further into the book I realized exactly why. Emotions quickly got involved for Lani and Asim but with side chicks, disrespect, and more things abruptly changes. I had a whirlwind of emotions while reading from happiness, sadness, laughter, and anger. I was torn that Tavia always ran to the aid of her family even though she had her doubts. Dox, is a standup guy he saw what he wanted and sought after it. I loved the relationship he had with his lady but insecurities and jealousy always trying breaking them apart. Asim showed his true colors I'm in awe of how low he went. Drae, is his families keeper. This was a great read filled with love, murder, betrayal, twist, and tubes and so much more. Patiently waiting for part two.

This book was good as hell!!! I just can't and don't want to believe the ending! Now I'm hoping that everything turns out good for all!!! Again this was a great read!!!

The book was long but hold my attention I couldn't put it down. Dox is that baby please hurry with part 2

I initially didn't know what to expect, but I was pleasantly surprised. The plot was thick and enticing. It's definitely worth the read and I would definitely invest in part 2. Dox's character is my absolute favor.

I normally don't write reviews, but this book was awesome. I couldn't put it....had me late for church this morning

This book was so good I couldn't put it down. Can't wait for part 2!. Please don't make me wait too long.

This book was a great read that kept me interested from beginning to end. I did get annoyed with Lani a few times but all in all I loved her. Dox is my dude though. Can't wait for part 2.
