Customer Reviews

Both Kimberly and Aizen are guilty of lies of omission to each other. I can understand Kim but Aiden should have come clean. Both of them were afraid of losing the other. Theresa wrote a story that was realistically enjoyable. With that said, I HATE CLIFFHANGERS! This story got me all wound up for a finally!

I loved this book aside from a few grammatical errors. Not realizing it's a series as I was getting

really into it it ended. Aizen and Kimberly sure has made some wing covers but I do hope they can work things out. It may take quite a while because u see nothing but drama coming from him since mother and the fact that her family can help him business wise. I hear that Kimberly and her daughter will be right back where she started, without Aizen

I really enjoyed this book. This is my fourth book from Theresa Hodge and I must say I am impressed by her writing style. I cannot wait to read the continuing story.

Five Stars..Loved it

I really wasnt expecting a cliffhanger especially from this author!! I loved the concept of the story. But I'm not going to lie the h really irked me to no end. I truly understood her plight but she h really held on it to til the wheels fell off. I really hope the lies and deceit to cost them to loss on the love of a lifetime!!!

Aizen met Kimberly for the first time, one night on the beach. Several misunderstandings on both sides were explained when they finally were able to meet again several years later, but everything is not fully resolved.Looking forward to the next part of this series.

Aizen and Kimberly have passion for each other burned hotter than blazing sun in July. Aizen and Kimberly have unconditional love for each other. Aizen has some unfinished business and forgot to tell his lady love, Kimberly. However, Kimberly found out and I can't wait for outcome in part 2.

Words can not describe the fire and desire between Kimberly and Aizen. They both seduced each other mentally, physically and emotionally. Each page had me turning anxiously for more. Aizen is the type of man I dream of and he came to life in this amazing story I enjoyed reading!
