Customer Reviews

I usually hate joke books. Purchased this for someone going through some health problems. Looked through it before gifting it, and surprisingly I found it very funny! Some of the jokes were a bit corny, but still funny! The person I gave it to loved it.

I'm one of those adults who still hasn't grown up yet. I love jokes! So many of the joke books out there are filled with terrible jokes that get more eye rolls than laughs. And many others rely on crude humor, which is not my thing. This book was a refreshing little gem with a bunch of good, clean, funny jokes that I can pick up now and then when I want a laugh. It's a small book but it packs a big punch. You may want to note that the material is from Reader's Digest over the years so it's not necessarily current. For example: "Yesterday I got my tie stuck in the fax machine. Next thing I knew, I was in Los Angeles." Haha. Oh well.

THIS BOOK HELPS ME WHILE WAITING IN LINE: TO SEE DOCTOR, TALK ON SKYPE, BANK OPERATOR...
