The Official Sherlock 2016 Square Calendar

As a big fan of Sherlock, I highly recommend this calendar. Each month focuses on either an episode of the show or a character. The photos are beautiful and look incredible on the wall. The slots are generously large enough to write daily reminders for yourself and everything is easily visible. The only concern you might have is the order of the days of the week. The week starts on Monday instead of Sunday. I'm guessing this is a UK thing, but nonetheless, it just takes a little brain training to figure it out.

For the past three years I've had Sherlock calendars, now, and I love them. In the very center of the calendar, a poster is included and I love them. They're beautifully designed, too. Good gift for any Sherlock fan.

Awesome calendar. It arrived sooner than expected but that is always a good thing!

Love this calendar--photos reproduced nicely. Fun for this Sherlock fan!

My wife is a big Sherlock fan so she loves this calendar.

One word : Awesome!
