# English Grammar For Students Of French: The Study Guide For Those Learning French, Seventh Edition (O&H Study Guides)

## Synopsis

Seventh edition of this popular self-study guide for students of French. Each chapter covers a grammar point: a part of speech (noun, verb, pronoun), a word's function in a sentence (subject, direct, indirect object), a grammatical term (tense, conjugation, gender, agreement). Each chapter is divided into two sections: 1. In English: grammar is explained as it related to English, anticipating concepts necessary for French. 2. In French: grammar is explained as it related to French, with examples and explanations of the rules applied. Points out similarities, differences, and alerts students to pitfalls. Study tips: how to learn vocabulary, memorize verb conjugations... Available on our website: 1. Review booklet with answer key to assess comprehension. 2. Correlations to popular 1st-year college French textbooks indicating the pages to be read in the O&H French Study Guide in preparation for each lesson. This self-study guide is part of the O&H Study Guide series for students of foreign languages. Experience has shown that students using the O&H French Study Guide improve their performance in French grammar thanks to a better understanding of English grammar and teachers can devote more class time to developing communicative skills.

Product Dimensions: 0.5 x 5.8 x 8.8 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 33 customer reviews

Best Sellers Rank: #11,179 in Books (See Top 100 in Books) #10 in [Books > Textbooks > Humanities > Foreign Languages > French](#) #16 in [Books > Reference > Words, Language & Grammar > Study & Teaching](#) #36 in [Books > Reference > Words, Language & Grammar > Grammar](#)

## Customer Reviews

It's about time our students had a book like this one... this new grammar is distinguished by its lucid and contrastive presentation of the material. --The French Review  
Students find it very useful. It helps them because of the simplicity of approach and the comparison with English. I recommend

that book to many of my colleagues as it is a precious tool for learning French grammar and unique in its kind. Please continue publishing it. --Marie-Andree Rivet, Douglas College  
Comments by teachers and students: First book any student of French should buy! Fantastic! Precise, Concise, Complete! Great tool! --.com

Jacqueline Morton, launched the O&H Study Guide series with English Grammar for Students of French in 1979, and continues on as the editor of the series (Spanish, German, Russian, Italian, Latin, Japanese, Arabic, Chinese, and Gramática para estudiantes de inglés). She is a French native, has a PhD in French from Columbia University and taught French at Columbia College and Smith College. She went on to be the coordinator of French basic courses at Wayne State University, Detroit, Michigan.

I just opened this book and immediately knew I would absolutely love it, as I teach students (seniors students) who are learning basic French. Although I gave them a printout of parts of speech, this book is a valuable addition to my teaching tools. I wish every student could be able to purchase it, but it is too costly for people who live on social security. They have told me their grandchildren do not learn parts of speech in English anymore in school. I was shocked! Could this be true? This book sets forth English grammar in a clear, completely understandable way. A must for anyone teaching grammar for students of French.

This was written by my very first teaching mentor, who taught me tons. It is an invaluable resource for any English speaker learning French. It's especially useful if you are not sure of what grammar terms mean in English. Don't buy it to replace a French textbook -- use it in addition to a textbook.

I got this book as a requirement for my French 1 course. It's an excellent reference guide, easy for even someone grammar-phobic (like me) to understand. Would definitely recommend even for the casual scholar of French.

I purchased a French lesson course, French Today, which recommended this book to help really grasp French grammar. I refer to it frequently, especially to understand verb tenses, going from English to French. It is worth every penny.

Our grammar is different from their grammar. This book provides the link you need to understand

what their grammar is all about. We need the side-by-side comparison. If English is all you know, then it is your frame of reference when trying to understand how French grammar affects the concepts you are trying to communicate. I own this book for every language I speak, and it is worth the purchase!

This book was very helpful. I'm 45 and learning French now as my first foreign language. I really needed this book. Thank you!

Excellent review of grammatical nuances between French and English.

Incredibly helpful! Get this if you want to learn French and especially if you are trying to learn how to write in the language.
