Famous In Love

Synopsis

Now a series on Freeform, formerly ABC Family, starring Bella Thorne!"A must-read for anyone curious about life and love behind the scenes."--Bella Thorne, actor and author of Autumn FallsWhen Paige Townsen gets plucked from high school obscurity to star in the movie adaptation of a blockbuster book series, her life changes practically overnight. Within a month, Paige has traded the quiet streets of her hometown for a bustling film set on the shores of Maui, and she is spending quality time with her costar Rainer Devon, one of People's Sexiest Men Alive. But when troubled star Jordan Wilder lands the role of the other point in the movie's famous love triangle, Paige's crazy new life begins to resemble her character's.In this exciting tale of romance and drama, both on-and offscreen, Paige must adjust to a crazy new life without the daily support of her friends and family, while figuring out who she is--and who she wants--as the whole world watches.

Customer Reviews

Famous in love - Good read ... funny, romantic- basically what we wish our lives were at 17 ..1.

Good book, easy to read, finished it in two days.2. Why wasn't the age difference between the main characters rainer and paige a bigger issue?3. The ending could have been better, I felt so lost (not because I didn't understand it) but after pages upon pages of paige being so conflicted about her choice she ended up picking a guy on a whim? Pity maybe Idk I was annoyed by that.4. Paige getting this role for locked turned into boy drama instead of her achievements and future as an actress. (That was her dream, no?)However Paige is 17, young, inexperienced and somewhat too trusting (like we all were at 17) so I totally understand her decision making and getting swept away by two hot actors.So 3 stars for that.

I enjoyed this book. I only knew about it because I discovered the television show first. While the story is well told and fairly captivating, it doesn't match the show in several pretty significant ways. I will leave that to the reader to discover should they choose to contrast and compare. Overall, I found myself pretty enthralled. The main character drew me in. I enjoyed experiencing newfound fame along with Paige. At first I didn't know whether I would stick with the story since I discovered that the setting and other key points didn't match the show, but I hung in there. I am glad I did. Underlying the obvious love triangle is an element of human compassion that you feel as the story develops. I liked that there was something in this book that I could think about and ponder a bit. While entertaining, it also made me consider things in my life that I hadn't wanted to mull over. I can't wait to find out how this all ends.

It was a quick read, but it wasn't exactly my cup of tea. I'm debating whether I should give the sequel a shot or not. The characters aren't really fleshed-out and I didn't really like the main character or side characters. Also, there was a lot that was inaccurate about filming a movie that I couldn't easily look past. I'm probably just being uptight, but, like I said, I don't think it was for me.

Really enjoyed reading this. From what I had seen I thought it was going to be about after the film is made and the results of that, but I was very happy to find it it was about Paige's story from the beginning and how the filming process was for her. Buying the second book now!

I watched the series based on the book, binges it of course then about halfway through realized there were book(s) to read...I like both versions. Book is always better! Made me feel the flips in my stomach and clenches of my heart, now to read Locked before the sequel

Ok, confession time. Famous in Love is my first Rebecca Serle book. Now that $I\tilde{A}f\hat{A}c\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , cvefallen in love with her writing and characters, I am kicking myself for waiting this long to discover her work. $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕII be devouring her backlist ASAP. Now that I have my confession out of the way, $I\tilde{A}f\hat{A}\tilde{\varphi}\tilde{A}$ â $\neg \tilde{A}$ â, φII get started on my review. :) Famous in Love was so flipping good. I had high hopes for this book and have been excited for it since I picked up a copy at BEA. I wasn $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t disappointed. It sucked me in from the prologue because I just HAD TO KNOW which guy she was talking about. I thought I was just in for a good YA romance, but the truth is, Famous in Love was so much more than that. It was about friendship, life and love. It showed how your choices affect your life in ways you might not have even thought possible. This was a great coming of age story. I loved Paige. Even though she was a movie star, she was relatable, real and likable. She was struggling with her newfound fame and all that comes with it. I think that $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s what made her so likable to me. She didn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ t let it all go to her head. Perhaps her biggest struggle at the beginning is fighting her feelings for her co-star, Rainer. They $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg \tilde{A}$ â, ϕ re growing close during filming and he has her back off-camera, too. Things get more complicated when their other co-star, bad boy Jordan Wilder, shows up on set. Rainer and Jordan used to be friends, but are now locked in a feud over something that happened the last time they worked together. Paige, of course, gets sucked into it all and tries not to like Jordan because of her loyalty to Rainer. Tries is the key word here. From the minute Jordan stepped foot on set, it was obvious there was a whole lot of chemistry between him and Paige. The more she tried to deny it, the more apparent it was. She *shouldn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ $\hat{a},\phi t^*$ like this guy, but there $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ s something about him that draws her to him. Things get even more complicated after they share a steamy on-screen kiss. Now Paige has a decision to make $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ \hat{A} which guy is the one for her? $|\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â,, ϕ m not usually a huge fan of love triangles, but this one worked so well for me. Paige seemed to fit so well with both guys and I can understand why she was torn between them. I couldn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t even decide on a team for myself. I definitely wouldn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t have wanted to be in her shoes! Now. $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ m not going to tell you who she chooses. You have to experience the whole ride for yourself. What I will say is that I didn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t LOVE how the book ended, but only because I originally thought this was a standalone. Now that $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ because I originally thought this was a standalone. it $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s part of a series, $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ m more than ok with it and really can $\tilde{A}f\tilde{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t wait to get my hands on the next book! There $\tilde{A}f\tilde{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s definitely more story left between Paige, Rainer and Jordan. I can $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t wait to see what happens next. I received a copy of this book from the publisher in exchange for an honest review.

I just couldn't get into Paige's character. It wasn't that she's uninteresting (which is true to some extent) but that she seems to be capable of making the exact wrong decisions. You'd think that a book about a neophyte actress diving into the world of filmmaking would be far more interesting... I wasn't able to finish the book (only about two-thirds); perhaps I'll try to read it again and finish it.

This book is full of surprises. A total unknown gets thrust into the limelight and a love triangle. I can't wait to read the next book!
