Synopsis

The next in the highly successful Crystal Prescriptions series, this volume covers crystals for space clearing, Feng Shui and psychic protection with extensive introductory material and practical exercises, plus the usual A-Z format directory. You'll be able to work in harmony with the Feng Shui bagua to attract abundance and enhance all areas of your life. You'll find crystals to ghostbust, to clear curses no matter how far back in your ancestral line, to remove spirit attachments, and to retrieve the lost soul parts that could make you vulnerable to psychic attack. Crystals will help you to strengthen your aura, create a firewall between you and the outside world, and repel psychic invasion. You will also be able to craft practical amulets for everyday wear and learn how to make crystals work for you.
