Customer Reviews

Beautiful young girl, nothing left to the imagination, nice shots, a couple of interesting positions. That

having been said, in today's age, considering the cost, I would EXPECT images of better quality than .5Megapixels, or even 1 or 2MP is not high-quality these days. Zooming in, the pix get very grainy very quickly...

This one surprised me. I thought it would be boring, but I decided to give it a shot. The first half IS a bit boring, but the model saves it in the second half with a series of front and rear naked poses. I give it a yes.

Wright no the best I've ever seen as a whole lot of people who have been in the omanGetting

A dirty old man's delight
