Great guide

This tour book is useful to the cyclist in the Delmarva area. The maps are easy to use and I have found the descriptions of the routes to be right on. Useful guide for the area.

Nice book, but as you can see from the cover illustration, it's not very current. Haven't ridden the roads to confirm this, but I assume things have changed somewhat since it was printed.

The Eastern Shore is a great area for bike riding, and this is a great book. I have used it for years.
