Praise for *Magnetic*: "This book should be read by every single Christian teenage girl (even girls past teen years who are single). Lynn Cowell is a speaker with Proverbs 31 Ministries and the author of His Revolutionary Love: Jesus' Radical Pursuit of You. Lynn speaks to young women nationwide about the radical love of Jesus Christ and how to build an inner confidence that leads to smart choices. Lynn and her husband, Greg, have been married for over twenty-five years and are the parents of three.

Every teenage girl needs to read this book! If your daughter is reluctant (like mine), because YOU recommended it... pay her! Yes, it's bribery, but what she will gain from reading it is so much more valuable. I have to think what she would be missing if she didn't read it. This is a well written book, attacking real issues teen girls are confronted with growing up in a permissive society. I bought a copy for each of my "difficult" daughters, as myself, and working through the chapters and questions together. Believe me, this has been a thought provoking experience. Please buy it! Thank you, Lynn!! (...and Proverbs 31 Ministry)

As a father I see my daughter struggling with her identity. I saw this book and decided it to get it for her. She loved it! She's read it a couple of times already.

I bought this book for my daughter and I to share together. She honestly loved reading it on her own and said the author hit it spot on with the teen, "what if" scenarios. She has really come to appreciate how much more she is desired and created by God to serve Him first. Yay!

Bought this for visiting granddaughter. We read 2 or 3 chapters together, then she took it home with her. It was good solid teaching. She really likes it and is continuing to read it at home.

Fabulous book for teen/ young women putting your value in perspective and alignment with how God sees you. I have gifted this book to so many of my daughter's friends and they ALL say how impactful it has been!!

A must read for any girl. My daughter (age 17) says that she feels the book was written specifically for her!! Such a blessing to have this book for her to have on her journey of maturing into the young lady God wants for her to be.

Great item

This is a refreshing book written for teens and adults that love band or mentor them. It clearly states Biblical passages which will help us make wise choices.
