Customer Reviews

Fine Woodworking was launched in 1975 in response to the lack of quality information on the craft. With a circulation of 287,000, it is now the premiere source of how-to information for woodworkers of all skill levels that are seriously interested in woodworking techniques, tools, projects, finishing and design inspiration. Fine Woodworking magazine has been publishing the best woodworking information for woodworkers since 1975. Fine Woodworking was launched in 1975 in response to the lack of quality information on the craft. With a circulation of 287,000, it is now the premiere source of how-to information for woodworkers of all skill levels that are seriously interested in woodworking techniques, tools, projects, finishing and design inspiration.

I checked out a copy of this from my public library. I liked it so I bought one to keep.

I bought this for my husband, who has been sole owner of Lefever Cabinets in Kentucky for over 15

years. He was pleased and said that there is a lot of very useful information in this book. Worth buying.
