Gr 3â⠬⠜6â⠬⠕When the previous book in the series, Riley Mae and the Rock Shocker Trek, left off, the titular character and her family, along with Swiftriver Shoe Company owners Fawn and Flip, were going into hiding. The killers who murdered Flip and Fawn's father are now after the heirs to his fortune, and because Riley Mae is the company's face, she too is in danger. Riley Mae's

family and the Swiftriver siblings head to a compound in Montana. Adventure and danger follow them and themes of forgiveness are woven throughout the story as prayers are answered, some with unintended consequences. Though contrived, the plot is fast paced as the villains continue to pursue everyone involved with Swiftriver. Jorjeana Marie's reading is expressive and adds appropriate tension. Even in the direst of times, the likable, somewhat idealized characters are able to invoke their strong Christian faith, using biblical quotes and references. Since the bad guys haven't been identified, the conclusion sets up the next installment as the group flees to another hideout, this time on another continent. $\tilde{A}\phi\hat{a}$ $\neg\hat{a}$ •Maria Salvadore, formerly of the Washington, DC Public Library --This text refers to the MP3 CD edition.

My 9 year old daughter loves this series and this one didn't disappoint. She is already asking for the next one in the series.

It has a cliff hanger at the end, that makes you want to read the next book. I loved it.

It's really cool and fun and you never know what is going to happen next. I don't like it because it always ends when you don't know what is going to happen next.

Was gift. Grandchild age 9 liked it.

This is a great adventure story for middle school girls. My 11 yr old daughter couldn't stop reading. The book is suspenseful and full of action while showing girls how to grow in their faith.

Awesome

Such a great, moral book for our girls this age!
