Artist Deborah Muller is an illustrator, designer, and gypsy at heart. She was born in Laguna Beach, California, but currently lives in a quaint beachside town in Florida. Her unique and whimsical style comes from doodling, which she finds therapeutic. Even her dog is a doodle—a Labradoodle named Marley (her assistant).

Love this book. None of Deborah's books disappoint. This has single sided pages, which are perforated for easy removal

I absolutely love this book! This book is adorable and so much fun to color. I would highly recommend this book to everyone. The paper is a nice quality and thick. The artist of this book has many other books out there that are equally awesome, and I would highly recommend them to everyone else also.

If you like mermaids and kittens you will love this book, she does a wonderful job of mixing the two together. Pictures are so cute and whimsical
