ISBN-13: 978-1553413073

Product Dimensions: 4.1 x 0.5 x 9.7 inches

Shipping Weight: 1.6 ounces

Average Customer Review: 4.5 out of 5 stars 3 customer reviews

Best Sellers Rank: #4,832,438 in Books (See Top 100 in Books) #36 in [Books > Travel > Africa > Malawi](#) #6914 in [Books > Reference > Atlases & Maps > Travel Maps](#) #9460 in [Books > Travel > Reference > Atlases & Maps](#)

Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

Only thing keeping me from giving it 5 stars is that a lot of village names are left off -- and there's room for them. In fact, you get a lot more village names from Google Maps than are printed here, but it's hard to access Google Maps in the middle of nowhere. All in all, I'm very satisfied.

We used this map to plan and conduct fieldwork in Malawi. One advantage of the map is that you get a full map of the country on one side, so there is no need to turn it over. The markings are clear and accurate. Reliable except in the finest details (which you will need to ground-truth anyway).

My husband used this map when traveling to Malawi to visit his daughter who was in the Peace Corps in Malawi. It is a great map to learn the overview of the country, regions, etc... If traveling to "non tourist" type places please coordinate with whom you are visiting to ensure you get to the correct spot!
