The Best Of St. Thomas And St. John, U.S. Virgin Islands

Synopsis

Completely updated with the latest information on resorts, restaurants, and shopping, this new edition covers St. Thomas as well as nearby St. John and describes the unique charms of each. Including information on intimate inns, beachside bars, breathtaking scenery, exhilarating boat and snorkel trips, elegant outdoor dining, jazz clubs, and a variety of cuisines as well as ice cream stands, this book covers the best of the islands. Also included is practical information for getting around the islands with ease, shopping tips, and the special "gems" of the island that might otherwise be missed.

"Travelers to St. Thomas will want to invest in [this guide]." — Orlando Sentinel "Full of information you won't find anywhere else." — International Dream Travel

Pamela Acheson is the author of *The Best of the British Virgin Islands* and coauthor of both volumes of *The Best Romantic Escapes in Florida*. She is also a contributor to many editions of Fodor's Travel Guides. Richard B. Myers is a contributor to Fodor's and the author of *Visiting the Virgin Islands with the Kids* and *Tennis for Humans*. He is the coauthor, with Pamela Acheson, of both volumes of *The Best Romantic Escapes in Florida*. They both live in New Smyrna Beach, Florida, and the Virgin Islands.

As far as travel guides go this one is not bad. You are provided with facts, hotels, places to eat, and

etc. However, the guide does little to help make suggestions on things that you MUST do in order to maximize your trip...there are no example daily itineraries or "don't miss activities". AS others have pointed out there is much less detail given on St. John. Part of this is do to St. John being much less populated and developed. If you are spending multiple days on St. John you may need an additional travel guide. What you are given is a collection of interesting facts that will help you enjoy your trip. My suggestions -Snorkel a Secret Harbor Visit St. John's Trunk Bay Eat at "The Herve" Eat at the all-you can-eat buffet on Wednesday night at the Marriot's CoCo Joe's if you are into Jewelry - bring some extra \$\$\$ for the (alleged) deals in Charlotte Amalie

Not as big as I expected but does a good job of listing/describing the hilights of the islands, gives recommendations and prices. What more can you ask of a quick-reference guide you can tuck into your day pack? A good buy.

Not a bad book just a bit outdated. Seller shipped it quickly.

A bit out of date, but full of helpful information.

I bought it as a cheap item to qualify for voting. The book is nice but will not bring me to the islands.

As described

The information is good, and seems thorough, but the presentation is lacking...not a single photo, and the maps look juvenile.

We have been using this book as a guide for our upcoming trip. I am so glad that we bought it. I would recommend it to anyone who plans to travel to the US Virgin Islands
