# Lose Weight, Have More Energy And Be Happier In 10 Days: Take Charge Of Your Health With The Master Cleanse

## Synopsis

Lose Weight, Have More Energy and Be Happier in 10 Days doesn't sound possible, but most people who have completed the Master Cleanse swear by it. If you are like most people, you want answers to your increasing health problems, but have less money to spend on gyms, expensive weight loss programs and pills. You want a simple and inexpensive way to regain your energy and vitality and you want to avoid becoming the next American death statistic due to obesity, heart disease, diabetes or high blood pressure. Our health care system has not been able to reduce obesity, cancer and heart disease even with all the money that has been spent. Perhaps that's because it takes the approach that your doctor or hospital is responsible for your health, not you; prevention is confusing or impossible; and the best cure is the latest pill, shot or surgery. If you want to take charge of your health and are sick and tired of being tired, this book is for you. While no one can guarantee that the Master Cleanse will cure your ills, fasting (and the Master cleanse is a juice fast) has been used to restore and rejuvenate the body and mind for thousands of years across all continents. There are even some scientific studies that show that severely restricted calorie diets produce anti-aging results! The author is uniquely qualified to write this book (the first new book on the Master Cleanse in nearly 30 years). He put up the first Master Cleanse forum on the Internet in 2003, which has grown to more than 33,000 members; has personally done the Master Cleanse more than 18 times from 10 to 28 days; has coached thousands of people on the Master Cleanse; and has been interviewed for NBC's Today Show, CBS National Sunday News, The New York Times, The London Times, The Los Angeles Times, The Washington Post, The Boston Globe and Us Magazine. This book has been translated into Spanish, Russian, Hungarian, Czech, Turkish, Korean and Croatian! Inside this easy-to-read book, you will learn how to get great results and have an easier time on the Master cleanse, such as: What can you do to practice Anti-Aging at home? What can you expect on the Master cleanse? Which days are the roughest? Is the salt water flush essential? What does the cayenne pepper do? What to do when it seems nothing is happening? How does the Master Cleanse affect women? What is the best indication that the cleanse is complete? What are the five detox symptoms and why are they important? What tends to cause headaches on the cleanse? What quantities of the ingredients do you need to buy? Why should the maple syrup be organic? Can you exercise while on the cleanse? What about quitting smoking? The 12 most common pitfalls preventing people from succeeding Also included is a daily journal, an extensive index and answers to the 112 most frequently asked questions.

Peter Glickman had been a chiropractic clinic director, chelation clinic director, and alternative health writer before doing and coaching more than 1 others on the Master Cleanse. --This text refers to an out of print or unavailable edition of this title.

Although I purchased the app on iTunes, which I found very helpful, I did go back and reread many areas of the book. There is a lot of information to be covered and I find that you have to reread things several times as it's hard to commit to memory. I will probably reread it again when I do my next master cleanse.

Awesome Master Cleanse Book. I highly recommend this book, for those who want to learn more about cleaning your system; and starting a better eating habits.

While the book is interesting to read half of it contains forum discussions and the sad part is that the forum that he promotes in the book is inactive or closed or as the we page states, "working on it" my opinion is the book is a waste of money, I give the 3 stars because half of the book does contain some helpful information.

I've literally bought this book probably a dozen times! I've been a master cleanser for 9 years (twice a year). Everytime my friends borrow the book it never comes back. It's very well written and a really

easy read.

I was so glad to have this book while I was doing the master cleanse. On a few occasions, I wanted to quit, but I referenced the book and found out that my symptoms/desires were totally normal and expected. Having the book actually facilitated me finishing the master cleanse. I would HIGHLY recommend it for anyone considering doing the cleanse.

I have not tried this fast as yet but will soon. I know a lady that has done it several times through her life and claims it does wonders for her. She told me about the fast and that is why I got this book. I will try it soon. This book has lots of info from folks that have done the fast, so that may be helpful when I try mine.

It's a lot of repeating, and then 90% of the book is just take outs from the authors online forum. Ok, introcuton, but it should have been \$2.

The book arrived quickly and in excellent condition.
