How To Write Everything

Synopsis

How to Write Everything is the ultimate writer's handbook. It tells you about every aspect of writing, from having an idea to getting the idea out into the world and getting paid for it, too. It covers everything from journalism to screenwriting, from speeches to sketches, from sitcoms to novels. With thirty years' experience as an award-winning scriptwriter, journalist, author, and broadcaster, David Quantick is ideally suited, as a writer, to write this definitive writer's guide to writing...everything.

Customer Reviews

This book does just what the title says...it covers how to write all different types of things. It is a great overview and a very easy read. The authors experience with writing different styles is clearly evident. The writing style is conversational and engaging.
