## Customer Reviews

I liked this book along with all the other's in this series . My next reading installment is just around the corner !!!!Enjoy, I did!!!!!!

A special story of Orphans coming west as Mail Order Brides where some were disappointed when they were not met. The girl made the best of her situation working in the boarding house to help the owner. A great book. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

A good story line. It kept me wondering what would happen next.I couldn't have guessed what actually happened to her.Ms. Wyatt is very gifted in keeping each of the girls separate yetthey all are in the same circumstance. Though wholesome I feltit could have used just a tad more spice

The last three to leave the hotel . you will want to read the last three trip. If your like me you can not put the book down . I look forward to next book.

I enjoyed the authors way of telling her story of orphaned mail order brides. A wonderful series of stories to sit back and enjoy.

I recommend this series about the orphan sister's how each of them started their new lives an the characters are great as well.

This is the sixth book in this series and it is a good story about all seven of the women living in San Francisco
