Customer Reviews

A wonderful bedtime story to instill in your child just how much he or she is loved not only by you, but also by God. Best-selling author Max Lucado shares his warm blessing of love and tenderness in this board edition of a favorite family story. He writes, "As you grow and change, some things will stay the same. I'll always love you. I'll always hug you. I'll always be on your side. And I want you to know that . . . just in case you ever wonder." (Beliefnet, July 2000) -- From Beliefnet

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

An introduction on how God made you! There are affirmations for our children/grandchildren on how much God loves them. I love the conversations that the parent has with the child. Sometimes we forget how powerful and soul-growing our words have on our children. Wonderful reminders on how

our actions and words give comfort and confidence through all their life adventures. I LOVE that it shares a joyous picture of our Heaven Home. LOVE everything Max Lucado writes. YES, another HAVE-TO buy book. It's one of those books that you want to read slowly and look into the eyes of your precious one - make these moments live in their hearts and minds forever.

Great theology - simplified! A great basic foundation maker. One of the best short books that I have found for my grandchildren.

A wonderful classic book by Max Lucado, a must for children's libraries.

Such a sweet, sentimental book! The first time I read it I got all choked up. I've purchased it for a few baby gifts now, too.

My husband and I have been blessed with two daughters. After the birth of each of them, I gave Daddy and daughter this book with a note from me on the inside. They would read the book the first night in the hospital before "bed time." Our plan is for Daddy to be able to give this to each girl when they marry just to let them know how much he and God has always loved them (and always will) - in case they ever wonder.

This precious book assures children that there is a beautiful and perfect place called heaven where there is no sickness nor sadness. It assures the child that the parent will be there too and will spend eternity with him. It's the absolutely perfect gift for parents welcoming a new child to their family.

My all-time favorite book to give to all the new mom's at their baby showers. I loved to read it to my kids (now in college), now I am passing that down to the future generations.

Small but good
