## Customer Reviews

love them all

I ordered this book for my 12 year old son. He loves these kind of books. They have some suspense to the story and No curse words, especially since the author is a christian.

All Stuart Brannon wanted to do was ride into town, deliver something to Peter Mulroney, and finally head back to his ranch in Arizona. Instead he arrives at Broken Arrow Crossing, now renamed Paradise Meadow, to find Peter in jail for a murder he didn't commit and the city about to implode under corrupt leadership. Unable to stand by when there are good people in need of help, Brannon soon finds himself in the middle of the conflict. A point of view character in this novel is Rose Creek, a schoolteacher of Cherokee descent trying to make her stand in Paradise Meadow. Ever since she spoke out publicly against the town's self-appointed mayor, Rose has been losing students and being pressured to move on. When Peter Mulroney is jailed, he asks Rose to take care of his three

children and to try to find Stuart Brannon for help in this unjust situation. When Rose does meet Brannon for the first time they get off on the wrong foot, and she thinks he is a heedless, irresponsible man more likely to add to the problem than aid it. As the decent citizens in Paradise Meadow begin banding together to fight against Mayor Rutherford, Brannon fears vigilante justice will result. Good people are so upset at the mistreatment they have suffered that they are more set on revenge than doing what is right. Brannon, Creek, and a few others try to remain impartial and hold things together, but as events unfold their lives and safety may just be threatened by the very people they are trying to protect. When right and wrong turn upside down a lot of bad choices can be made, and eventually any good outcome becomes questionable. This novel puts our humanity into check and reminds us that our values must align with God's or they will lead to destruction. Can Paradise Meadow survive? Eventually the citizens themselves will be the deciding factor. This third Stuart Brannon novel is full of memorable characters and page-turning action. Riding the trail with Stuart Brannon is never, ever boring!

Stuart Brannon moves on, intending to go back home to Arizona and see what has become of his ranch. On the way, he gets embroiled in yet another drama - this time at Paradise Meadow, a booming mining town mayored by Dixon Rutherford, one of the outlaws from Hard Winter. Brannon's friend Peter Mulrone is jailed for a crime he did not commit, and Rutherford seeks to drive schoolteacher Rose Creek out of town. Once again, Brannon cannot merely stand by and do nothing where injustice runs rampant. His attempt to help the townspeople overthrow corruption is not without complication, however. Rose Creek questions Brannon's faith, tipping him into internal crisis and making him wonder if his belief in God is pure and without contradiction, after all. Bly gets better and better. A man who believes in God and old-fashioned chivalry, without apology; a woman strong enough to stand up for what she believes is right, although she may not understand the One who gave her the steel to do so; a rollicking adventure with a hint of romance that doesn't turn out quite as one expects it to.
