The griefer is like me! Always pranking people.-----Review------Yeah yeah yeah!!! He is going 1 point UP for his pranks.I realy support him, so I'm pretty mad at Mr.Creeper for putting a snake at him. I am good at pranking but they kill. Here is an example. I lead my victims to a dungeon that has a lot of monster spawners and dispensers and TNT. So my victims are struggling to survive. I ender pearl back home to break their beds (LoI) and they will die and respawn SOMEWHERE ELSE!!sn't that Awesome?!?Suggestions

this book and the first one were just the best books ever! crafty nichole i hope you continue this epic series because i personnaly think its one of your best(all of yours are awesome but this one is epic;)) also pls continue this griefer series. also make him explore away from the people he knows well. i think that would make the book awesome if be trolled random people and then accidently trolls notch and is being hunted by gauhrds on strond stallions. thx hope you continue

I love pranks and this is hilarious and has tons of pranks. Also, revenge and family mixed in.SPOILERSBOOM!!! Bye bye castle!!
