O yeah i forgot heres the review '.DO NOT READ THIS IF YOU DID NOT READ THE 1st BOOKS AND OTHERS. SPOILER ALERT!!!!!!Our friends Alex. Steve and almost not friend "Herobrine" travels to the End because the police would find them again. They are particley bored out of their minds. Until they a floating ship. Bout 10 mins later they get on board the shop. There was this enderman named "The Wise Man". There was 'his treasure chest behind him and they though there was treasure in it. And the Wise Man said: If you want my teasure then you have to get past me and my training first. What do you know they did it all for nothing. HAHAHAHAHAHAHAH.So any way Herobrine was so mad he started burning things up. But then the Wise Man told them 'bout a treasure in another End City . Yes he was serious . So they build all the way over there. When they enter the city theres no one there 'but them. The treasure is all gone. 'Cause Herobrine stole it all. Also he explodes the house. When Alex and Steve pay a visit to the Wise Man he tells them the treasure was a DRAGON'S EGG. So they also ask him how to defeat Herobrine. 'Ut he says to talk to him and he gives Alex a secret weapon. A pair of wings, whatever they called. So they get back to the End house which was exploded. And searchs for Herobrines Stuff .They find his diary tho .Then they Venture back to the Overworld.They fix up Alex's Pink house. They also find Herobrine in their old house, siting on top of a Dragon's egg. O man .Herobrine told them 'bout how he set fire to the egg, lava, water and even trying to crack it himself. But what do you know it teloports if you hit it.
