START WRITING.also i think you should make your books longer.

Woohoo you released Angry Alex 14! I really do hope you are doing my idea! So maybe Herobrine and Mira (me) can make secret evil plans to kill Alex and Steve! lolol.I am in Nether Kitten 4 by Cube Kid! In the end of the book when Breeze and Emerald are talking. They say how I came to the village. I am mentioned as ilovedragons1. I also won the reviewer contest along with The Guy Who Starts With An S and Crafterbot 6000.If you don't make me steal the Dragon Egg, can you make either Shadow or Entity 303 have? That would be cool.Please put me in the awesome reviewers!

Good book. This author releases books fast like steve the noob, and now Cube Kid is getting back on track! Everybody knows about the 4 best minecraft authors:These are not in order so do not take this offensively (if you are one of the following authors)1. Cube Kid2. Steve the Noob3. Crafty Nichole4. Zack ZombieThese are not in order.:.....:Now I will describe every author.:.....:Cube Kid:.....:Cube Kid had a rough 7 months. No books were released but now Cube Kid is back writing long books. It takes about 5-7 weeks now for Cube Kid to release a book.:.....:Steve the Noob:.....:This author has never and will never take more then 6 weeks to make a book this author makes books monthly. This authors books are never too short and are never too long. My favorite minecraft author.:.....:Crafty Nichole:.....:This author releases books the fastest out of all these authors. It takes 3-4 weeks for this author to release a book. This author is also the author of the book I am reviewing right now. Great books!.....:Zack Zombie:.....:This is the best writer of all of these authors, the only problem is that it takes almost 1 year for this author to release a book. He is known for his zombie books.-PigMaster4000

the author puts so much effort in the climb up to the climax but then just pops in with a way to solve the problem. SPOILER ALERTlike in this book everyone is nervous of the beacon. then after all the worrying alex suddenly decides to dump lava on the trees the beacon made. you need to make it seem like the characters have a harder time facing their task instead of suddenly finding the soloution. this goes for all your alex books- still enjoyable, however there reaches a point in where it seems the author gets tired of writing and wraps it up asap. keep up the good work!
