# Children's Book Italian: Peekaboo Baby. Cucu' Mio Piccolino: (Bilingual Edition) English-Italian Picture Book For Children. Bilingual English Italian Books ... Books For Children Vol. 1) (Italian Edition)

## Synopsis

Read this bilingual picture book for babies (English - Italian) FREE as part of your Prime or Kindle Unlimited membership. Read this creative children's book. This is a great book for young children (Ages 2 - 6). Are you are looking for a book to teach your child to point to his/her nose, eyes, ears etc? Then, this toddler book might work for you. Beautifully illustrated, an adorable baby in each page will make learning a fun game to play. Children (Ages 1 - 3) have to find the baby's eyes, ears, nose etc in each page: They are partly hidden in the page for your child to discover! Ask your child to show where his/her ears/eyes etc are! Early readers (Ages 4 - 6 years) can use this book to practice their reading skills! This picture book encourages children to name the parts of the body like eyes, ears, nose etc. This is a cute book with full length illustrations. This book is ideal for reading aloud to your child. Beginning readers will enjoy reading the simple sentence on each page. The highlights of this wonderful concept book for children are: Cheerful full length illustrations Simple sentences Learning about parts of the body Beginning readers can practice their reading skills too. Recommended for children (ages 2-6) years. If this sounds like something you would like your child to read, scroll up to download your copy.

## Customer Reviews

I bought this as a gift for my nephew. I was embarrassed by it's poor quality and generic illustration. It even has an half story in the back as an advertisement to buy other books. The story line was not interesting, not even for a 2 year old

Cute for little kids :)

It was a purchased for my 2.5 year old son. He loves it. We are trying to introduce him to the language and it's great that it reflects body parts and activities that toddlers do. Although, it does not have a pronunciation key, I'm sure that can remedied by using translation tools.

Good book for babies. Mine is almost 2 and she enjoys this book.

Always difficult to choose online but it's a great book for the preschool children who are learning Italian.

Bene!

While the illustrations in this book are cute and the concept a good one, I find the translation to be lacking. I have been taking Italian classes for some time now. One first mistake is, "dove sono gli occhi di questo bambino?" the book translates this to where are the baby's eyes? when in reality what it says is where are the eyes of this baby" this mistake repeats itself with other body parts as well. Also, Due orecchie che ascoltano. the translation in the book is two ears that hear. To hear in Italian is sentire. To listen is ascoltare. I would not recommend.
