George Washington's 110 Rules Of Civility And Decent Behavior In Company And Conversation: The Original And Modern Translation With Illustrations, Historical Notes, And Pictures Of Actual Writings

Synopsis

The TRANSLATED PLUS ORIGINAL VERSION, with Illustrations, Historical Notes, and Pictures of Washington's Actual Writings. Also included are the Declaration of Independence and un-amended 1789 U.S. Constitution. Only in this historic blue covered 110 Rules do you get:

- The original Rules from Washington's diary.
- Translations that are easy to understand.
- Variations of previous edited versions of the 110 Rules by Toner, Conway, and Moore.
- Historical context and quotes of the era.
- Commentaries to assist in the Rule's application today.

In addition to all this, only this blue covered book includes:

- Images of all ten pages of Washington's original diary in his own hand.
- A poem that Washington wrote on happiness.
- Images of sculptures and portraits of Washington.
- The Declaration of Independence.
- The U.S. Constitution as originally written in 1789 before it was amended in any way.

Let Civility and Decent Behavior live on!

Customer Reviews

I picked this up because I remember reading it as a child while my parents were teaching me and my brothers about being polite. Most of the "rules" are just as applicable today as they were when they were written. Each rule has a "Modern Translation" underneath it in case you have trouble understanding the older English writing. Highly recommended!

Much needed for our society. Most of the rules are relevant today. The explanations after each rule were very helpful. There are also some neat historical facts about GW and the time period, i.e. if you had your own toothpick you were considered rich. It's interesting to see how much the language has changed. Recommended, especially for today's youth.

Civility is out these days...the louder and more crass you can be, the more you get noticed. This little book teaches that civility and good manners were important to a young George Washington and they should be important to people who value critical thinking, consideration for others and good judgment today. Truth is being written out of the history books and this small book shows us the importance placed upon character and personal conduct by our first President.

Great gift for today's young adults.

Excellent read

Most of these are common sense, such as not touching any part of you that you would not show bare.

good

I enjoyed the interpretations. Very helpful.
