More than 85 years ago, Walter Foster—a well-known artist, instructor, and collector—began producing art instruction books from his home in Laguna Beach, CA. He originally wrote, illustrated, printed, bound, packaged, shipped, and distributed

them himself. Although Walter passed away in 1981 at the age of 90, his legacy continues in a growing product line. Walter Foster Publishing now provides how-to books and kits to millions of enthusiastic artists worldwide who enjoy the rewards of learning how to draw and paint. People who have never before picked up a paintbrush or drawing pencil have discovered their artistic talents through his easy-to-follow instruction books.

I just received the book, it is smaller than I thought, 6"*9" but, the example photos are large enough to see, the info is good, some good basic info and then the detailed color mixing and "how to" paint and layer is very good info. Discusses colors I have not seen, look forward to getting them.

very nice book...fast delivery

I am using this book to help me on only my 2nd portrait painting. I know that this is going to be very helpful. Have read it all through and ordered a couple of new paint colors to try. Hoping for success with it! Know it will be very beneficial. Am doing background right now. Can't wait. Had my own decorative business the broad board for 25 years.

What a helpful and good book on painting portraits. Love it...

A rather thin book. Some good pointers.

I returned this book as I did not order it in the first place

Wife was pleased w/this gift.
