Customer Reviews

my son loves this book!

A great book. This book is really great. In this book you will find some tips and tricks to draw accurate human features and complete figures. Each illustration has been explained with step by step tutorials along with the required text in detail. I recommend this book.

A short and useful guide for everyone with artistic aspirations, that teaches us the basic techniques of drawing human faces and humans in general. The author also gives us a couple of tips at what should we pay attention to while drawing, what to avoid, and what to implement. All in all, I recommend this.

This book is a nice one . Very helpful and a support if you have a skill in drawing . I love to draw , That's why brought this book . I found a lot of information from this book .In this book , you will find some tips and tricks to draw accurate human features and complete figure .Each illustration has been explained with step by step tutorial along with the required text in details .I suggest this for some one have good skill in paintings or drawings .

It is ok

This is a good book for teaching how to draw people using various styles and techniques. Different perspectives, effects, and tips are offered to show ways of depicting people. Our oldest brought this home from her elementary school library - she really enjoys learning more about drawing.
