Keepers Of The Light Oracle Cards

Synopsis

The Keepers of the Light is a congregation of Ascended Masters and divine beings that are dedicated to the peace, healing, and nurturing of the world. These amazing masters transcend religion and go beyond time – they are here and willing to help all of those who call on them. The new Keepers of the Light oracle card deck from Kyle Gray draws together 44 Ascended Masters, spiritual deities, and beings from many world traditions, and embraces spiritual teachings from ancient to modern times. The deck balances male and female energies, and includes traditional masters like Lord Buddha and Mother Mary, Earth-based deities like Gaia and Cernunnos, and modern favorites like Sanat Kumara, Lady Venus, and Saint Germain. Each card is beautifully hand drawn by visionary artist Lily Moses, who paints what she sees from a deep meditative state. The deck's aim is to help spiritual seekers to develop their intuition and to really start trusting the messages that spirit shares.

These are so beautiful....almost too beautiful to use. Along with their beauty comes deep wisdom. I feel grateful to be drawn to them.

I knew what I was probably getting when I ordered these, which was a light, uplifting oracle deck. I tend to favor more balance, but sometimes you just need something positive! What really surprised me was the beautiful art work. This artist is talented. Kyle Gray does a great job matching the messages to the Keeper. I love everything about this and I'm so glad I purchased it. Actually, everything Kyle Gray puts out is lovely. I have two of his books and both of his decks. I much prefer him over Doreen Virtue. His messages and his persona are just much more real.

Very nice art. Cards are printed on nice paper. Description book has good helpful information about each card and about different possible spreads. I did the 7 card spread and each card had a helpful lesson for me and synched very well with my life. I even got two big hints about how to overcome the obstacle in my path and be victorious over my own fears and limitations. I almost always have

synchs when using divination cards and this deck was no exception.

Artwork is very articulated according to association of Light Keeper. Message of cards suggests uplifting personal inspiration. Thank You!

I love these cards, but I am a little disappointed that the ones I received did not have the shiny golden trim that they seemed to have in other photos and review videos. Other than that, the artwork is beautiful and overall I am happy I purchased them.

Very beautiful and uplifting deck.

These cards are beautiful.

My favorite deck! Not only are these cards beautiful, but I connect to them more than any other deck I own.
