Customer Reviews

Another great Daley Buzz story. After Sabrina pays a visit to the local psychic, Miss Terry, she is told her sister Jessica will be found. When Sabrina goes back the next morning to discuss this revelation further, Miss Terri is found dead. There are several suspects to interview and lots of twists and turns. A little mystery, romance, comedy -- something for everyone.

This is a well written and the plot is terrific. The story runs smooth as David and Sabrina search for a killer. A very enjoyable read.

love all of her books

I enjoyed the book and am looking forward to more!!!

Just like the first book this one keeps you wanting to keep reading until the end.. Great characters and plots.

My favorite is Sabrina, but in this story I am beginning to greatly enjoy her grandmother Betsy who is the matriarch of the family having started the coffeeshop and is delightfully busy with her book club, yoga classes, creating sweet treats, and having a pulse on the local gossip. I highly recommend this series; it is an easy read, engaging, and entertaining!"Disclosure: A review copy of this book was sent to me by the author, however all of the above opinions are my own. $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} •

As always Meredith wrote a great read and has improved so much over the two years I have been reading her books. Sabrina is looking for her sister so she goes to see a physic to help her hoping that she can help her. The physic, Miss Terri doesn't really have any information for her other than her sister is still alive and she will find her. Sabrina gets to thinking about it and thinks maybe a second reading will help so she goes back. Oh no, she finds Miss Terri on the floor dead! Now she has a murder to solve and what about that mysterious light that keeps coming on at the old abandoned house?? Now it is really getting interesting!! Somebody really wants to discourage Sabrina for continuing, but with her detective fianc $\tilde{A}f\hat{A}$, David by her side she will not give up. She'll see it to the end. Will she find the murder?? Will she find her sister still alive?? This is a book you don't want to miss!! I was given this book in exchange for an honest opinion and that is what I give. I love her titles, I just wish she would send some of those delicious treats too. Meredith always interacts with her readers and not many authors do that . She is a special person & it shows in her writing. If you have never tried her books you really should. She is a good mystery writer with a little romance thrown in.

Sabrina has an older sister, Jessica. Jessica disappeared 10 years ago. When Sabrina went to see the psychic, Miss Terri, she received the prediction, $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} "Your sister will be found. $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} • That was not enough information for Sabrina. Therefore the next day Sabrina goes back to ask for more information about her sister. As she approaches the house, Sabrina sees a woman running from the back of the house. Upon entering the house, Sabrina finds that Miss Terri has been brutally murdered! The first person Sabrina calls is Detective David

Carlson, her boyfriend. They had worked together before to solve murders, so he asked her to help again. Sabrina has a talent for getting people to talk. Will she and David be able to decipher all the clues and put together the story of what happened to Miss Terri and why she was killed in such a horrendous way? Will David be able to keep Sabrina on the case? Will his supervisor demand that she not be involved with an official investigation? Meredith Potts tells a wonderful and very believable story with people you could meet on the street, or who could be in your family. She keeps it interesting by creating realistic characters, places and situations. I hope there are more books in this series.
