The Hebrew-Greek Key Word Study Bible: KJV Edition, Hardbound (Key Word Study Bibles)

Synopsis

There are times when a Greek or Hebrew word has a distinct meaning that seriously affects the proper interpretation of Scripture. Unless you are familiar with these languages, you will not be able to determine what word in the original text was used or the differences between these words-until now. The Hebrew-Greek Key Word[®] Study Bible identifies the key words of the original languages and presents clear, precise explanations of their meaning and usage. Those who love God's Word will treasure this Bible, for it contains a whole library of biblical helps within its covers.

"The Hebrew-Greek Key Word Study Bible is my favorite. I can give it no higher recommendation than to say it is the Bible I have raised my daughters to use." BETH MOORE, Living Proof Ministries, Houston, Texas

This is a great reference Bible for me. I have learned much. As I listen to Pastors and Preachers

Speak and reference Hebrew-Greek words, I am smiling on the inside because I am understanding the meaning as well the importance and placement of the word. This is a growth mechanism for my Christian Walk. God is an Awesome God!

I had this Bible before back in the early '90's, when it specifically had Dr. Spiros Zodhiates' in depth commentaries. This version, though is the same with its words and numbers, but it leaves out MANY of his in-depth commentaries on specific words, particularly words pertaining to Christ. For example, in my previous copy (that got ruined) it explains why Jesus is called Son of God (huios theos), and is never called a child of God (teknon theos). Instead of it being a lexicon like my previous copy, it's a dictionary of the Hebrew and Greek words in its basic meanings.

Love this and the dictionary and references in the back. It's easy to read and I got several of these for gifts - They love them too.

I still have to use my concordance in addition to this Bible. It is not as helpful as I thought it would be.

Possibly the best study Bible ever published. The addition of Strong's Concordance makes this Bible an entire study library in one book.

I have found this book very helpful with my Bible study class. I would recommend it to anyone who wants to find out more about the Hebrew and Greek meaning of words translated into English.

Love this Bible. Have owned for a short time and the Lord has already given me a deeper revelation of His love by using it. It's amazing the understanding you receive by studying the Bible in the original language in which He inspired it to be written! This Bible allows easy access to that type of study and is still small enough to be mobile. Love being able to take it to church and take notes in it!

I have enjoyed this Bible for study and devotional time. It has a stockpile of ways to research, for the studious and just for information. There would be only one issue I have, and that is the quality of paper of the pages. I like to write and mark in my Bibles, but I don't think I would advise it. Just the same, it is ideal for those who like to exhaust studies on topics!
