Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." - Chicago Tribune
"The best option | Color photos, maps, and diagrams bring the place to life." - The Philadelphia Inquirer

Though just slightly dated, the book was very detailed and was an immense help on our trip.

I love the DK Eyewitness guides. This is the second one I have purchase for Stockholm in the last several years. I have been to Stockholm over eight times and this guide really opens up the city for me.

DK has a lock on eye-grabbing books regardless of the topic. This is a coffee-table quality book for your travel bag. Beautiful images, great quality printing on glossy paper, color from cover to cover and tons of useful info. A great travel souvenir and an excellent planning tool. It weighs over 15 ounces, so it may be more than you want to put in your luggage, but It will certainly make you drool with anticipation for your trip!

This is a good reference - great pics, font size not too small, and although it has that typical DK 'stronger, heavier' cover, we're considering taking it along on our trip. The map insert is excellent. Together, book and its bonus map, are a bargain price!

Received promptly, product as described. Thanks
