The Top 10 Chicken & Waffle Recipes on the Planet by author Chef Filal "Busy B" Salaam has written a cookbook filled with variations of chicken and waffle recipes. Unfortunately his cookbook is a bit confusing as the recipes start with "Outta this world Chicken and Waffles Recipe #1" and so on. It would have been so much better if he had written the recipe name instead. For clarification I will list some of the recipes found in his cookbook without the "Outta this world Chicken and Waffles Recipe..." "Oven-Fried Chicken & Waffles With Maple Gravy" "Chicken & Biscuit Waffles" "Fried Chicken and Waffle Grilled Cheese" There is an interactive table of contents making navigation easy. Recommend with caveats given.

In his cookbook titled [Chicken and Waffle Recipes - From Harlem to the Universe: the Top 10 Chicken and Waffle Recipes On the Planet](#), Chef Bilal "Busy B" Salaam selflessly shares his chicken and waffle recipes with his readers. He gives each recipe a title that has "Outta this world" as a prefix. As the book's title indicates, the recipes are

from [Harlem to the universe](#). Chef Bilal recommends that ingredients of the highest quality be used for the recipes. He also recommends using the healthiest modes of cooking. Following Chef Bilal's instructions, any reader of [Chicken and Waffle Recipes - From Harlem to the Universe: the Top 10 Chicken and Waffle Recipes On the Planet](#) will be able to prepare a wide and pleasing variety of chicken and waffle dishes.

Waffle sandwiches have become one of the favorite suppers my family has. I thought I could get some ideas from the book. It had some, nice recipes for making the waffles. However, the recipes are titled "Outta this World chicken and waffle recipe #1"... "Outta this World Chicken and Waffle recipe #2". you get the idea. If I make some of these, I will never remember what one I liked. I won't remember if it was #1 or #11. The content page is hyperlinked, this is a nice feature. No pictures so you have to be able to use your imagination while reading this as a novel and not a cookbook.

As a Northern transplant to the south, the idea of chicken and waffles escaped me early on. Why would you pair chicken with a breakfast staple? Turns out it was really good. The chicken recipe in here is different from how I am used to making fried chicken but it turned out pretty moist and juicy. The Waffles ended up fluffy and were easy to put together. After making the basic waffle and fried chicken, I tried the grilled cheese. While it was not something I could see eating on a regular basis, it was a tasty treat. My husband, who is not a Chicken and Waffles fan, even enjoyed it. This book has some great recipes and I can't wait to try out some more of them.

I went out on a limb here and decided to try Chicken and Waffles. Never had them. I downloaded the book and picked the Oven Fried Chicken and Waffles recipe. My family was skeptical when I described our upcoming dinner to them. I cooked, served and set back to wait for comments. My family ranges in age from 3 to 70 and ALL of them raved over the meal. They made me promise to serve it often.

I've never imagined that you can pair chicken and waffles.. I mean, waffles are basically pastry and you're pairing it with chicken? I was against it at first, but when we've tried a couple of recipes from the book, I was proven wrong. It's one of the most amazing food I've ever had. The book contains the recipes you'll ever need to combine chicken and waffles.

This was purchased as a gift and they are happy with the recipes they tried.

This book is just what I was looking for give me a chance to expand my imagination .
